

The Coding Club is Back!

In order to offer material to fit all age groups, the Coding Club has been divided into 2 sessions. Session 1 will be for students in grades 3-5. It be on Monday mornings in the fall for 8 weeks starting on October 1st from 7:45am - 8:50am. Session 2 is for grades K-2 with dates and times to be determined.

Students in grades 1 - 5 who are interested in participating are asked to write 3 - 4 sentences on why they would like to participate in the club. Kindergarten students are asked to use a combination of pictures, letters, numbers and words to show why they would be interested in the club. There is no cost for students to participate. Please email any questions about this activity at HES to lells@aacps.org.

If your child is interested in participating in Session 1 (3-5), please complete the form below, attach the writing to the application, and return it all to school by September 21st. Students will be selected at random and notified if they were selected. Session 2 forms will be sent out in January.

Child's Name: _____ Child's Grade & Teacher: _____

Guardian's Name: _____ Phone# _____

Guardian's Email: _____

My child is interested in transportation from Robinwood on Mondays at 7:30am. **TBD**

I can volunteer to help with the club on Mondays from 7:45am - 8:50am.
